

2021 Nutcracker

TECH WEEK AND PERFORMANCE SCHEDULE

IMPORTANT NOTES

THERE IS NO REHEARSAL NOVEMBER 25th through November 28th.

In case of illness or emergency resulting in your dancer being unable to perform, please notify Kay Greene immediately at 217.840.3640. Cell phones are unreliable in the basement of Krannert. Telephone contact via voice or text must be made prior to 3pm on weekdays and 12 Noon on weekends. Please be sure your message is acknowledged. **If you do not receive an acknowledgment from Kay Greene, or you are attempting to make contact after 3pm on weekdays or 12 Noon on the weekend, you must send a messenger directly to the Green Room located on the 2nd Floor of Krannert to make contact.** (The Green Room will be identified during the Krannert Orientation tour.)

“**Call**” is the time at which the dancer must be **signed in** at Krannert. If you are late or forget to sign in, your understudy may be called and costume altered to fit, which has happened in years past.

“**Company Call**” denotes all Senior Company dancers and any other dancer performing in Snow or Flower corps.

“**Call for all dancers except Dutch Dairy and dancers only appearing in Act II**” denotes Jr. Company and Apprentice Dancers, and all other cast members.

Cast Blue and Red understudy each other. It is possible you may be called to perform on your “off” time, if needed, so cast members must be available during Tech Week and all performances.

Final bows are choreographed based upon a set number of children. Children wishing to be included in the final bow must stay for the entire dress rehearsal/performance in which he/she performs. Your dancer must confirm during Krannert Orientation on Tuesday, November 30th, whether he/she will participate in the Curtain Call.

Please refer to the “What to Expect” handout for additional details.
